Alan Daugherty, President of the Board of Directors of the Tucumcari Historical Research Institute, presented ideas of expanding projects and activities to promote tourism. Daugherty stated the Museum has 7 bus tours currently booked and is looking to expand what the museum can offer to include other interests for those visitors. Daugherty also noted they intend to expand programs to students in the area

and raise a higher profile of the activities and events at the museum. Daugherty explained, in the future, their Board may seek financial assistance or some other type of support for events and hopes the County Commission will be receptive to that idea. The Commissioners thanked Daugherty for his presentation and look forward to ongoing conversations.

Windsor Lacewell, representing Runway Bay at Ute Lake Air Park Subdivision, presented the concept of a proposed USDA Grant. Lacewell, along with Sid Strebeck of Ute Lake Ranch, asked the County to consider being the fiscal agent for a USDA Grant that would allow the development, if awarded the Grant, to make purchases involving fuel tankers and like equipment. Primrose explained, the County cannot make purchases of equipment that is not primarily insured and used by county employees. Primrose stated it's an audit violation and the County cannot assume that risk for an audit finding.
