

Construction Moves to Phase 2 & 2-A on U.S. 54 Week of September 20-24, 2021

The week of September 20-24, 2021, crews will begin working on both Phase 2 and Phase 2-A of Sequence 1 for roadway rehabilitation and extension of a concrete box culvert on about 1.65 miles of U.S. 54 from north of I-40 to north of Main Street in Tucumcari.

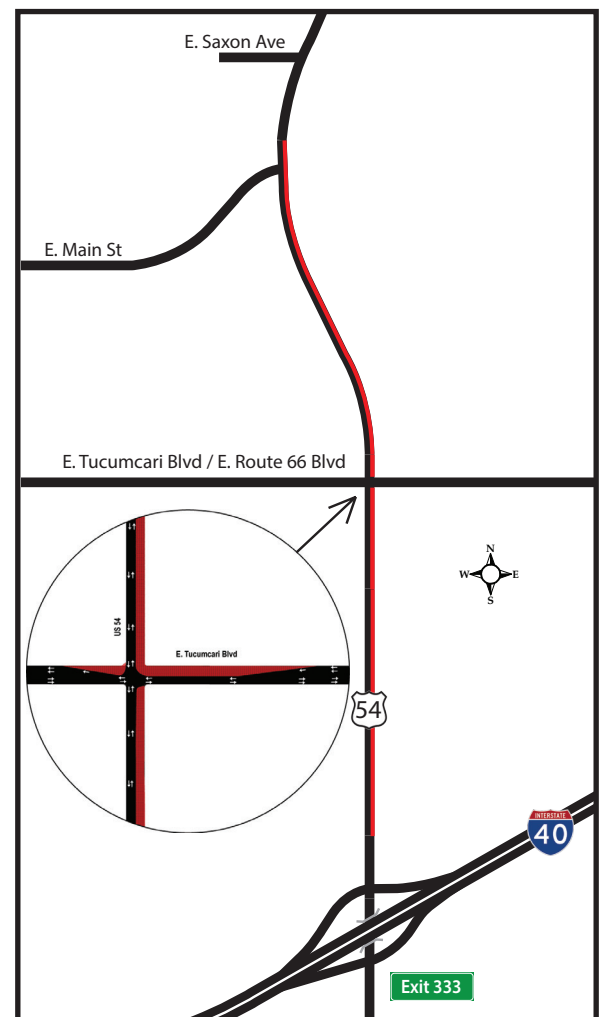

Traffic Impacts

During these phases, which are expected to last through March/April of 2022 (with a suspension for winter weather) the following traffic impacts will be in place:

- 1) Traffic on U.S. 54 will be shifted to the west from north of I-40 to just north of E. Main Street.** One lane of traffic will be open in each direction (northbound and southbound).
- 2) Traffic on E. Tucumcari Blvd/E. Route 66 Blvd will be shifted to the south on both sides of the intersection of E. Tucumcari/ E. Route 66 and U.S. 54.** One lane of traffic will remain open in each direction (eastbound and westbound).

As a reminder, the intersection of E. Tucumcari Blvd/ E. Route 66 Blvd. and U.S. 54 is a four-way stop. Motorists should use extra caution at this intersection.

El Terrero is the contractor. Regular work hours are 7 a.m.-5 p.m. Monday-Friday, although the contractor may work longer hours or weekends if needed. Construction is expected to last through late 2022 and includes two sequences. The first sequence will rebuild the east side of U.S. 54 and the second sequence will rebuild the west side of U.S. 54.
