### PUBLIC SERVICE ANNOUNCEMENT

The Quay County Clerk's Office would like to give notice that a Voter Registration Update/Registration/Cancellation initiative is currently underway in the State of New Mexico, and occurring in many adjoining States. All 33 Counties in New Mexico are currently sending notices to individuals who are registered in their respective County, but have addresses verified through other agencies, which show you may be receiving mail and/or live somewhere else other than what is on file with your County Clerk, regarding your Voter Registration.

Notices are being sent in an attempt to give you the opportunity to update your current registration and stay registered in Quay County. At this time, you may need to register in a new County or new State due to a recent move.

We encourage you to make every attempt to correct any Voter Registration information at this time. If you receive a notice, please fill out the necessary documents provided and return them promptly.

If you are a parent of a child who has moved away, and they no longer need to be a registered voter in Quay County, please contact our office so we can provide the necessary documentation to have them removed.

In addition, if you are a spouse of someone who is deceased, and are receiving a letter for your loved one, please contact us with a date of death so we can properly remove them from the date base.

As well, a third-party nationwide election group is sending notices to individuals turning 18, who have not registered before. Also, individuals who are perhaps not currently registered at all, regardless of age may receive this notice.

As always, my office is the trusted source for Election Information. Please contact us if you have any questions regarding any election related mail you may receive.
