AGRICULTURE LANDS INSTRUCTIONS & APPLICATION

The value of land used primarily for agriculture purposes shall be determined on the basis of the land's capacity to produce agriculture products. Objective evidence of bona fid agriculture use must be produced for the land to be valued as agricultural land. Applications for agricultural land must be submitted by May 1st in order to be applied on that calendar years tax rate (7-36-20 NMSA 1978), otherwise it will be applied to the following years. Owners of agricultural property must submit applications to the county assessor in which the special valuation method is claimed.

APPLICATION FOR AGRICULTURAL LAND

I hereby apply to have the following described land valued as land used primarily for agricultural purposes pursuant to Section 7-36-20 of the Property Tax Code.

Description of land (or Assessor's property account number).

If this is grazing land, what is the average number of head of livestock that graze this land each year?				
Is this land grazed by livestock you own?			Yes	No
If no, whose livestock does graze this land?	Name			
	Address			
Was the land held for speculative land subdivision and sale?			Yes	No
Was the land used for commercial purposes of a non-agricultural character?			Yes	No
Was the land used for recreation?			Yes	No

(Explain if you answered yes to any of the above questions.)

State the use of the land, type of irrigation system and crop being produced on the land for which you are making application.

I hereby affirm that I am the owner of the above-described land, and that the information contained in the application is true and correct to the best of my knowledge and do so under penalties of perjury.
